

“Seven of my children took Mrs. Brown’s It’s All About Etiquette Summer Camp classes, and they loved it! My children range from hyper goofballs to shy and quiet teens to kindergarteners, but they all benefited from her four-day classes. They love to show off what they learned, and I love what they show off! They developed amazing skills that will help them in the world. I will bring my kids back as they level up to the next level of classes.”
